Broken, outdated, and defunct entries have been excluded.

Entries marked [Updated] reflect domain or brand changes since 2023.

How to use this directory:

Register in BOTH the SB Portal and the Supplier Registration wherever listed.

The SB Portal gets you on the buyer's radar. The Supplier Registration puts you in the payment system.

Two different doors — both matter for winning subcontracts.

Section 1 — Federal Agency Small Business Portals

These 25 federal agencies have confirmed active small business portals as of March 2026. Each represents a direct channel to billions in annual contract awards. Register in every agency aligned with your NAICS code.

Pro-Tip:

Don't just register and walk away. The businesses that win subcontracts are the ones that show up — at industry days, matchmaking events, and in the agency buyer's inbox with a sharp capability statement. Your portal registration is the door. Your follow-through is what closes the deal.
